

1. Write a one-sentence thesis statement that includes the name of the country and the cultural aspect you will research. **4 points**

Example: Armenia's architecture has been strongly influenced by seismic activity, the country's conversion to Christianity and the years of Soviet influence.

For questions 2-6, you will do the same thing for five different sources. 4 pts each

2. List one source you will be using in MLA format.

What did you learn in this source?

Write 2 sentences on what information was relevant in this source and what you learned from it.

Example: Armenian Studies Program. "Arts of Armenia-Architecture." *Armenia Studies Program College of Arts and Humanities*, Fresno State, www.fresnostate.edu/artshum/armenianstudies/resources/architecture.html. Accessed 2 Mar. 2021.

This source talks about historical and traditional architecture in Armenia, especially Christian churches. I learned about the Urartian, Hellenistic, and late Roman epochs.
